

Introducing Partner Connect

A more human resource.™

The new Accountant portal that lets you earn more, learn more, and help exceed your clients' expectations.

Partner Connect from ADP® is an easy-to-use Accountant portal offering fast access to valuable tools and resources.

So, with everything you need in one place, now you can work even smarter.

What's in it for you?

- **Easily refer your clients to your partner.**
Quickly & easily submit and track client referrals
- **Access valuable Accountant tools and resources.**
Stay informed with the latest tools & resources that help support your most valuable asset – your clients
- **Enhance your career and professional growth with exclusive CPE Credits & Programs.**
Access and complete CPA-accredited courses and webinars

Partner Connect makes it easier to work closely with your partners at ADP, with everything in one place you are now ready to exceed your clients' expectations.

And the best thing is: it's completely free!

Sign up is quick and easy!

- Visit partnerconnect.adp.com
- Click *Register*
- Enter your company email address
- Complete registration
- ADP will review your application and send you login instructions

It's that easy!
